Dear BCPOA Member:

Please join us for an overview and update on issues important to all Beaver Creek property owners. There have been many developments over the past year and your BCPOA Board has been active in keeping an eye on and participating on issues and opportunities that may impact our community.

We will address the issues which potentially have the greatest impact on the quality of life, safety, property values, and social interaction of Beaver Creek property owners, their families, and guests.

We will have certain guest speakers join us from the community to discuss the current situation and what we can expect in the coming months in Beaver Creek Village.

We welcome questions and comments from our members.

Your invitation and directions on how to join the ZOOM webinar if you are not in Beaver Creek are set forth below.
